

Public Notice by the Hoke County Government

Hoke County Government will be implementing additional steps to limit the exposure of our staff and citizens to COVID-19 and other infections. Our main priority is the safety and security of our Community; therefore, the following measures will be implemented beginning Tuesday March 31, 2020:

Hoke County Government services will operate with the following restrictions.

County Employees will continue to work practicing social distancing and all County

Buildings will be closed to the Public except for the Buildings listed below that will operate by appointment only. Contact methods will be placed on readyhoke.org and designated signs will be placed on all buildings that are affected. Events planned for Hoke County Facilities will follow the governor's mandatory rule of canceling all events with over 10 persons this is subject to changed based on future updates by Federal/State or Local Government Officials.
